10.30 to 12.30

European Pavillon

JOIN OUR SIDE-EVENT ON

CLIMATE CHANGE, MIGRATION AND FOOD&NUTRITION SECURITY

Taking food&nutrition security and migration into negotiations

The side event will present the main interlinkages between food security, migration and climate change, taking also into account gender and health as cross cutting issue. It will then discuss what solutions are already implemented and how to scale up the efforts through the negotiations.

Moderator: Michelle Yonetani, IDMC

Our panelists will be representatives from :

CARE Peru, IRD, IOM, UNU, ACF , IUNS
