Human Mobility & Climate Change

10 December 2015, 13.15 - 14.45

Observer Room 1, Hall 4

Blue zone - Le Bourget, Paris

Speakers: High-level participants from governments and agencies

Human mobility in all its forms is increasingly discussed within the UNFCCC process. Adopting a human mobility perspective allows to consider through one common lens different policy areas: human rights, climate adaptation, migration and displacement, sustainable development, decent work and job creation.
