What have been the main achievements on human mobility under UNFCCC since the Paris Agreement? Around a multidisciplinary panel of representatives of the UN system, States and civil society organisations, the event aims to take stock of what has happened since COP21 on mobility discussions, and seeks to identify potential next steps including with the Task Force on Displacement of the Warsaw International Mechanism on Loss and Damage and with other relevant global (GCM, GCR) and regional frameworks.

**Tuesday 11 December 2018**

**13.15 to 14.45**

**Room Warmia**
