

	Issue	Indicator	Sub-indicator	Disaster-specific	Aggregate	Priority level	
1	Occurrence of disaster displacement	Yearly displacements attributed to disasters, per 100,000 population		No	Yes	Priority	
2	Life-saving value of displacement	Ratio of deaths and missing persons versus displaced persons attributed to a disaster, expressed as a percentage		Yes	Yes	Priority	
2.1			Ratio of deaths and missing persons attributed to a disaster versus people displaced before a disaster, expressed as a percentage	Yes	Yes	Additional	
2a			Ratio of deaths and missing persons attributed to disasters versus displacements attributed to disasters, expressed in percentage, over a calendar year	Yes	Yes	Priority	
2a.1			Ratio of people displaced before disasters versus number of deaths and missing persons attributed to disasters over a calendar year, expressed as a percentage	Yes	Yes	Additional	
3		Displacement as a specific disaster impact	Ratio of displaced persons attributed to a disaster versus number of people affected by a disaster, expressed in percentage		Yes	Yes	Priority
3.1			Ratio of displacements attributed to a disaster versus number of people injured or ill due to a disaster, expressed in percentage (Target B).	Yes	Yes	Additional	
3.2			Ratio of displacements attributed to a disaster versus number of people whose dwellings have been damaged/destroyed in a disaster, expressed in percentage (Target C).	Yes	Yes	Additional	
3.3			Ratio of displacements attributed to a disaster versus number of people whose livelihoods have been disrupted in a disaster, expressed in percentage	Yes	Yes	Additional	
3a			Ratio of displacements attributed to disasters versus number of people affected by disasters, expressed in percentage, over a calendar year	Yes	Yes	Priority	
3a.1			Ratio of displacements attributed to disasters versus number of people injured or ill due to disaster, expressed in percentage, over a calendar year.	Yes	Yes	Additional	
3a.2			Ratio of displacements attributed to disasters versus number of people whose dwellings have been damaged or destroyed by disasters, expressed in percentage, over a calendar year.	Yes	Yes	Additional	
3a.3			Ratio of displacements attributed to disasters versus number of people whose livelihoods have been disrupted in disasters, expressed in percentage, over a calendar year	Yes	Yes	Additional	
4	Duration of displacement		Ratio of disaster displaced persons remaining in displacement at different intervals versus total number of people displaced by a disaster, expressed in percentage		Yes	No	Priority
4.1				Ratio of people displaced before a disaster versus number of disaster displaced persons remaining in displacement, expressed in percentage, at different intervals	Yes	No	Additional
4.2			Ratio of people whose displacement has been assisted versus number of disaster displaced persons remaining in displacement, expressed in percentage at different intervals	Yes	No	Additional	
4.3			Ratio of people who are displaced in formal vs informal displacement sites versus number of disaster displaced persons remaining in displacement, expressed in percentage at different intervals	Yes	No	Additional	

5a		Ratio of disaster displaced persons remaining in displacement for more than 6 and 12 months versus the total number of people displaced by disasters over the previous 3 years, (moving percentage)		No	Yes	Priority
5b		Moving average of the duration of disaster displacement, min 3 years		No	Yes	Priority
5c		Average duration of displacement for disaster displaced persons who have lived in displacement for more than 3 months, at a given date		No	Yes	Priority
6	Patterns of displacement	Ratio of disaster displaced persons receiving temporary shelter assistance versus the total of displaced persons attributed to disasters, expressed in percentage		Yes	Yes	Additional
7		Ratio of disaster displaced persons receiving assistance to move versus the total of displaced persons attributed to disasters, expressed as a percentage		Yes	Yes	Additional
8		Percentage of displacements attributed to a disaster in relation to the distance travelled		Yes	Yes	Additional
9	Governance of disaster displacement	Displacement governance (index)		No	Yes	Priority
		Optional indicators				
10	Economic losses due to displacement	Economic impact of internal displacement (compound indicator)		Yes	Yes	Additional
11	Durable solutions	Percentage of disaster displaced persons achieving durable solutions (compound indicator)		Yes	Yes	Additional
12	Risk of displacement occurring	Number of people living in risk areas and exposed to the risk of displacement		Yes	Yes	Additional
