

Data, Disasters, Displacement

IMMOBILE AND TRAPPED POPULATIONS

Virtual Event

Triple-D webinar series of the PDD Data and Knowledge Working Group, co-chaired by IOM and IDMC.

The International Organization for Migration (IOM) and the Internal Displacement Monitoring Centre (IDMC) are inviting you to the first session of the Triple-D webinar series to explore key conceptual categories related to immobility in the context of disasters and climate change and implications for data collection.

Invisible in displacement?

25 MARCH 2022
14.00 - 15.30 (CET)
