AIMS OF THE TECHNICAL MEETING

- To bring together the members of the Excom, national policymakers and practitioners, interested respondents to the invitation under activity (a) of AA (6), and relevant experts from different horizons
- To synthesize relevant information
- To make it available widely in line with the expected results of AA6
Final draft synthesis

Technical Meeting Report

The outputs of the Meeting should support the work of the Task Force on Displacement, whose creation was mandated by COP Decision 1/CP.21

Outputs will be available from the IOM Environmental Migration Portal and the Excom WIM website

International Organization for Migration with the support of the Ministry of Foreign Affairs and International Development of the French Republic
